FiltraVacs® and CombiVacs

## CombiVac 12 & 14

Light and maneuverable with a handle weight of just 41 oz. and with the power of a true two motor vacuum.

Easy operation – electronic indication of filter full, brush on, and overload conditions.

Long reach hose and on-board tools make detail cleaning a snap.

## FiltraVac® 14 & 18

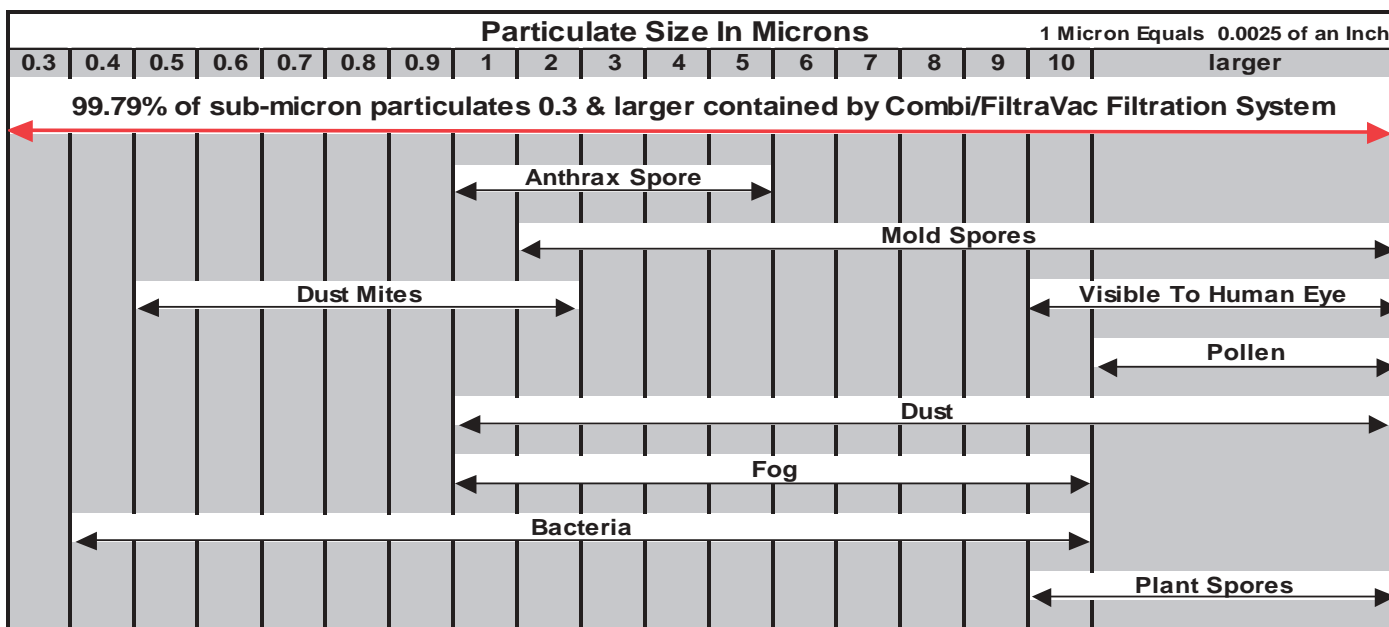

Increased size and performance with FiltraVac®.

Extremely quiet with superior suction and filtration performance.

Features a side mount cogged belt design for added dependability and carries a cUL commercial duty listing.

**CombiVac & FiltraVac® are equipped with high efficiency filtration systems improving indoor air quality!**

Reduced weight - only 41 oz. handle weight and 16 lbs over all.

Convenient quick release cord.

40 feet of 18-3 power cable.

Extra long hose provides up to 7 feet of reach with on-board tools.

On-board crevice and upholstery tools improve detail cleaning productivity.

Very quiet operation at 68db.

Powerful dual motor design provides superior air flow for improved performance.

Filter safe system, the vacuum will not operate with out a bag installed.

Four stage filtration with 0.3 @ 99.79 efficiency improves indoor air quality.

Large 6 liter, top fill style bag.

Powerful 1.5 HP vacuum motor provides 75" lift and 110 CFM.

12, 14, or 18 inch cleaning path.

Foot operated brush roll setting with electronic indication of overload.

Chevron brush roll and strong suction improve edge cleaning performance.

Low profile provides access to clean under toe kick areas. Full bumper protects walls from damage.

Side mount belt keeps belt out of debris path for long life. No-tool access to brush roll and belt allows quick and easy maintenance.

CombiVac and FiltraVac designs have been approved by the Carpet and Rug Institute

Complete and easy access to all filters and a full bag indicator light simplify filter changes. Reducing maintenance error and time.

## KEY FEATURES

- High efficiency 4-stage filtration system
- Easy to use, mobile, light handle weight
- On-board tools and hose add versatility
- Two motor design delivers performance
- CRI Green Label Certified

## SPECIFICATIONS

Model	CombiVac 12	CombiVac 14	FiltraVac 14	FiltraVac 18
Part Number	03102A	03104A	03106A	03108A
Voltage	115 V (230 V available)			
Frequency	50/60 Hz			
Air flow volume (CFM) at motor	110			
Vacuum Motor HP	30,000 rpm, 1.5 HP			
Static Water Lift (H <sub>2</sub> O)	75 in. (190.5 cm.)			
Brush Motor	150 watt, 0.2 HP			
Brush Speed RPM	5500			
Brush Style	Chevron bristle pattern			
Brush Adjustment	Foot activated, 3 position			
Belt Position and Type	Side mounted flat belt		Side mounted cogged belt	
Filtration	Four stage filtration, 0.3 micron particle size to 99.79% efficiency			
Filter Bag	6.3 qt. (6.0 l.)			
Decibel Rating	68			
Handle Weight at 31.5"	2 lbs. (1.2 kg.)			
Weight	16 lbs. (7.3 kg.)		17 lbs. (7.7 kg.)	
Cord, 18-3, Length	40 ft. (12.2 m.)			
Wheel Size	3 in. x 1 in. (7.6 cm. x 2.5 cm.)			
Cleaning Width	12 in. (30.5 cm.)	14 in. (35.6 cm.)	14 in. (35.6 cm.)	18 in. (45.7 cm.)
Depth	9 in. (22.9 cm.)			
Height	43 in. (109.2 cm.)			
UL & CSA Listed rating	No	No	Commercial Duty	Commercial Duty
Shipping Weight	19 lbs. (8.6 kg.)	20 lbs. (9.1 kg.)	20 lbs. (9.1 kg.)	21 lbs. (9.5 kg.)

### WHAT MAKES IT EASY TO USE?

- Light handle weight
- On-board tools
- Convenient simple to operate controls
- "Toe touch" pile height adjustment
- Tank cover removes to expose entire bag area for easy bag and filter changes and filter cleaning

### WHAT ENHANCES PRODUCTIVITY?

- No tool access to brush, belt, and filters
- Long power cable and hose increase reach
- Top loading bag design for maximum air flow and efficient debris recovery
- Low profile easily reaches under furniture
- Large 6 liter bag provides more time between changes

### WHAT ADDS TO ITS DURABILITY?

- Vacuum motor protected against thermal overload
- Vacuum will not operate with out filter bag installed - protects vacuum motor and internal components
- Indicator light alerts operator of clogs, full bag, and brush setting conditions - removes guess work and error

### OPTIONS / ACCESSORIES

- H.E.P.A. filter item #53394A
- 400 Hz airline kit #52838A
