6.8 Gal Recovery

14" Brush and 16"
Squeegee

11,300 Sq Ft/Hour

130 RPM

68

dBA meets
LEEDS standards

Powr-Flite®

COMPACT SIZE WITH POWERFUL RESULTS ON MULTIPLE FLOOR TYPES.

MORE EFFICIENCY

Cleans more efficiently with a 14" cleaning path and a 16" drying path, capturing the dirt and debris that mops leave behind, leaving floors clean and sanitary.

ECO FRIENDLY

Low moisture system saves on chemical and water, and maintenance-free gel batteries have an integrated onboard charger – charge from any location and run for 1 to 2 hours with each charge.

SIMPLE, QUIET, AND POWERFUL

Recovery tank lifts off and solution tank features a simple drain hose, low operating noise is safer for employees (meets LEEDS standards), and incredible parabolic squeegee system keeps solution contained within the cleaning path and instantly recovered – even around 180 degree turns).
