Powr² Orbital Floor Machine

Item# ORB1420

INTRODUCING POWR-FLITE'S ORBITAL FLOOR MACHINE

Customers love the increased productivity, performance and low cost of ownership on the NEW Powr² Orbital Floor Machine

- Saves time and effort compared to traditional chemical stripping process.
- Improve indoor air quality by attaching a vacuum to intergrated vacuum port.
- Rectangular design helps reach corners that are missed by round pads.
- Improve performance with optional weights for increased down pressure and pad loading.
- Anytime cleaning with low 69 dBA.
